

Junior International Business Developer Europe and Middle East H/F

Working student

Boulogne-Billancourt (92)

PRESENTATION

Peters Surgical, a French company, develops, manufactures, and markets sterile single-use medical devices for the operating room intended for surgeons.

A European leader in medical devices, we have over 800 employees worldwide. Our international presence allows us to distribute our products in more than 90 countries.

As part of our CSR policy and being aware of climate challenges, Peters Surgical is voluntarily committed to a sustainable development approach to reduce its environmental impact.

Joining Peters Surgical means becoming part of a dynamic organization and contributing to the growth of a rapidly expanding company. In this context, we are looking for a:

**Junior International Business Developer Europe and Middle East (M/F)
Apprenticeship/Professional Training Contract.**

DESCRIPTION OF MISSIONS

Reporting to the Sales and Marketing Director EMEL, you will provide support to the International Sales department in the development of sales for an existing distributor network. Your tasks will revolve around the commercial management of a segment of distributors and the implementation of management tools (Business Analysis – KPI Management, etc.).

SKILLS

- You are ambitious, organized, dynamic, meticulous, and proactive.
- You have a keen eye for detail and strong oral communication skills.
- A solid understanding of international marketing, as well as a genuine interest in foreign cultures, is required.

YOUR PROFILE

- **Languages:**
Fluent English is essential.
- **Additional Information:**
The position is based in Boulogne-Billancourt (92).
